Attachments: Oxitec EUP One pager for Bob 091719 ewb 9232019.docx

Wiebke and Amanda,

Attached is a revised one-pager, take a look and let me know your thoughts. I tried to provide a bit more context around the rationale for why we would not be able to support a section 3 so if there is more we should add or if we should be less specific let me know. It got really messy with track changes so I'm just sending out a clean copy.

Thanks.
